Opis produktu

HELTER SKELTER PRODUCTIONS is proud to present AIHOS' striking debut mini-
album, Ikuisuuden Suojaan, on CD and 12" vinyl formats.

AIHOS hail from the ever-fertile Finnish black metal scene. As such, the quintet's sound is staunchly trad
itional and purist, but they exude a nasty personality all their own. Ikuisuuden suojaan was originally se
lf-released by the band in 2013, but so impressed by it, HELTER SKELTER released a limited cassette versio
n during autumn 2017. Now, feeling AIHOS deserves a wider look, Ikuisuuden suojaan arrives on CD and vinyl
 to torment ears with filthy propulsion and bewitching melody: an ice-
wind blast from the past, thawed out in the present!
