Opis produktu

12" LP

Pressed on pink vinyl. Released by Lonely Demon Records. Colors on final record may vary to a degree from the mockup.

The music is slow, introspective and dreamy, the opposite of leisure music. The tracks mix stripped-down electronics, crepuscular evocations and quasi-mystical atmospheres, accompanied occasionally by lyrics that are rather disparaging of life in general and the human race in particular.

For fans of Darkwave, lo-fi synth pop, dark ambient, early Industrial, weird post-punk, skewed electronica, suicide music.
