Opis produktu

Black Vinyl • Gatefold Jacket • Poly-lined Innersleeve

Armagedda's "Ond spiritism" (2004) is held in the same regard as the iconic releases by black metal contemporaries such as Funeral Mist, Watain, and Deathspell Omega. Boasting one of the best productions ever to emerge from Necromorbus Studio, the unique tonal quality of the guitars casts a hollow, haunting resonance – impeccably conveying the wistful, folk-infused dissonance. Creative basslines weave through sinister melodies, seamlessly integrated with the minimalist yet masterful percussion.
