## Opis produktu

**POZYCJA POWINNA BYĆ DOSTĘPNA OKOŁO 10-15 LISTOPADA !!!**

Three decades of Nightside experience, practice, contemplation, and relentless exploration of the primordial Mysteries of Blood and the Great Mother Tiamat are distilled into four ritual invocations.
The Dream Working begins with “Crowned in the Higher Self”, where the initiate enters the path of inner sovereignty through the awakening of the Drakonian Current.

It descends into the “Abyssic Rite of Self-Deification”, where Blood, Fire, and experiential initiation dissolve the illusion of the profane self, revealing the eternal Principle concealed within the Magician.
The current reaches its deepest manifestation through “For the Blood of Tiamat”, an offering to the Primordial Mother, whose Blood nourishes the hidden mysteries of transformation, Magick, and the eternal cycle of becoming.

The rite is sealed with “Ex Tenebris ad Lucem, Ex Lucem ad Abyssum”, where Light and Darkness cease to oppose one another, becoming a single gateway through which the Dragon continues its endless journey beyond matter and beyond time.

Together, these four invocations unfold as successive stages of a single initiatory rite—from the awakening of the Higher Self, through the abyssic ordeal of Self-Deification and the sacramental offering to the Blood of Tiamat, to the ultimate transcendence where Light and Darkness dissolve into the eternal Current of the Dragon.

Beyond dogma and beyond the illusion of time, the eternal Current of the Dragon continues to dream behind the eyes of infinite Universal Omniscience. Through the path of experiential initiation, ancient philosophies, ritual practice, and the hidden sciences of transformation, the Draconian Archetype unfolds as a living reality rather than a symbol.

Three hymns embrace the primordial spirit that has always defined the essence of the Coven—atavistic, raw, and timeless—while the fourth ceremonial invocation crowns the entire rite through Fire, Blood, and the Vision that exists beyond matter.

Thus, the four hymns become the four gates of a single initiatory rite—an offering to the Blood of Tiamat and a testament to thirty years of walking the Nightside through Fire, Blood, Magick, and Metamorphosis.

Black 12"LP in microthene sleeve, printed innersleeve full-color on 220g, simple jacket full-color, printed on 350g, all assembled in a pvc overbag.
