Aluk Todolo returned to the studio during July 2023 to record their 5th album entitled "LUX", coming out 8 years after their latest opus "VOIX" on September 6 through NoEvDia and The Ajna Offensive.

The "LUX" configuration has been received, decomposed, recomposed, sequenced, reversed, and is eventually revealed through six tracks of mesmerizing occult rock music.

Prismatic drum patterns entwined to gyrating bass lines and kaleidoscopic guitar ostinatos embodies in matter the numinous shimmers of light in extension.

An equation of Sacred Geometry solved and dissolved in mystery by illumination.

The tapes have been magnetized at Kerwax Analog Recording Studios in the western reaches of France.

Lux was recorded, mixed and mastered, cut and pressed using analog technology exclusively.
