Gehenna (NOR) – Malice (Our Third Spell)

Malice (Our Third Spell), unleashed upon the masses in 1996, is GEHENNA`s second album and marks the end of the first legendary era of the band.
On the one hand, it`s on *Malice (Our Third Spell)* that both keyboardist Sarcana and drummer Dirge Rep made their last appearance on an album of GEHENNA. On the other hand, *Malice (Our Third Spell)* can be considered the last pure Black Metal album of GEHENNA since the successors saw the band shifting towards a more Death Metal oriented sound.
In general, *Malice (Our Third Spell)* is a logical continuation of the previous full-length and with its playing time of almost 60 minutes by far the longest album the band has ever released.
The most notable difference compared to *Seen Through The Veils Of Darkness* is the introduction of numerous riffs that have a traditional Heavy- or Thrash Metal feel to them making *Malice (Our Third Spell)* comparable to e.g. *Enthrone Darkness Triumphant* by DIMMU BORGIR.

The songs were completely new remastered by Patrick W. Engel at the Temple of Disharmony to ensure the best possible sound for this timeless Black Metal classic.
