Digipack CD

Comes in a 4-panel digipack w/ a 16-page booklet. First batch comes in black polycarbonate CD.

Madrid's **AVERSIO HUMANITATIS** follow-up 2020's white-hot "***Behold the Silent Dwellers***" with another stunning slice of unrelenting, modernist and oft-dissonant Black Metal.

Third full-length "***To Become The Endless Static***" finds the band on devastatingly intense terrain: a hammer-blow of astounding riffing, warped leads, riotous drumming and ultra-committed vocals all wrapped in an oppressive atmosphere as serious as your life.
