Opis produktu

The Crypt and Dark Descent Records are proud to announce a pact with one of New York's finest, Morpheus Descends. Formed in 1990 under the Morpheus moniker, Morpheus Descends was well known for its vicious death metal attack. Most of the band's back catalog is highly priced and very difficult to find, so it is with our pleasure that we are able to bring this material to the darkness once more! All audio for these releases was transferred from the original analog masters for optimal sound.

The Sophomore effort from MORPHEUS DESCENDS. This long overdue release will be presented in a sturdy 350 gram jacket featuring the original artwork as well as the unpublished original intended cover artwork, lyrics and liner notes.

200 LPs will be on black vinyl
