Opis produktu

Digipack CD

Comes in a 6-panel digipack. Released by Lonely Demon Records.

The second album from **a prayer for the worst** finds *Herr B (GODKILLER)* continuing his exploration of uneasy, emaciated sounds in his insatiable quest to find musical expressions of anguish and final rest.

For fans of Darkwave, lo-fi synth pop, dark ambient, early Industrial, weird post-punk, skewed electronica, suicide music.
