Opis produktu

JEWEL CASE
Comes with clear tray, 6 page folded booklet printed on 135 gsm art paper.

TAÄR is a nostalgic, warlike black metal band which is heavily influenced heavily by the 90s underground scene. It's a combination of aggressive vocals, sharp guitar riffs and fast blast beats, evoking the atmosphere of ancient battles. Members of TAÄR also contribute to the intense creativity of Anticreation, Burial Hordes, and Katafalk.
The upcoming debut album "Catharsis Till Dawn" is their first strike of kaos and is nothing buta raw and carnal fire storm of true black metal heresy!

released April 11, 2025

'Catharsis Till Dawn' was mixed and mastered at Descent Studio in Athens and features a cover artwork by Belial Necroarts.
