Opis produktu

Black metal act BLOOD OF SERPENTS hails from the deep forests of Småland, Sweden.

“Sulphur Sovereign” is the bands' second full length album, and the first featuring drummer Christoffer Andersson and vocalist Thomas Clifford (Throne of Heresy, Abscession).

With these new assets, the band has taken a decided step into an extreme black metal direction, going at full speed with forceful vocals that rip and roar with equal measure. Mixed with dark melodic guitar work, and crushing riffs, Sulphur Sovereign is slated to be a standout black metal release of 2018.
