Existing since 1991, Unpure is a band that needs no further introduction. Anyone into Black Metal with a sharp Thrash and Speed Metal edge should be well-familiarized with this unholy horde by now! On this new assault, core member Kolgrim has been joined by Pelle (from Watain) and H. Death (from Degial) both on guitars, plus Degial’s drummer (Emil Svensson). That’s to say you can expect some intensely vile and blood-serious Black Metal here!
