Opis produktu

'Eternity' is the latest and most ambitious offering from A WAKE IN PROVIDENCE. Essential for fans of Lorna Shore, Chelsea Grin, Septic Flesh and Crown Magnetar - AWIP bring American Modern Deathcore at it's absolute finest from one of the OG game changers in the genre. As one of US Deathcore's initial leading beacon acts, A WAKE IN PROVIDENCE rose to notoriety for their explosive live shows with then-vocalist Will Ramos, now in LORNA SHORE. With the addition of powerhouse ADAM MERCER in 2017 taking over vocals, AWIP released 'A Darkened Gospel' followed by the album 'The Black Sun : The Blood Moon' in 2019. 2022 sees them exploding back into the spotlight with an unstoppable new opus, released in Summer 2022. The taster offering released in March 2022 is the phenomenal new single 'GOD KILLER'.
