Opis produktu

Digipack CD

Comes in a 4-panel digipack w/ a 12-page booklet.

Averaging an album per year since their 2018 formation, this latest expression from the rightly-revered Swiss Atmospheric Black Metal band **AARA** shows no drop in quality, nor let-up in their perpetually questing sense of purpose.

On new album "***Eiger***", **AARA**'s music has evolved dynamically - becoming more visceral, tangible and hauntingly powerful. An organic and spacious production allows the trademark elegiac, spirited leads and reverberant acoustic guitars of main-composer *Berg* to give increased emotional weight to a performance of on-the-edge savagery from vocalist/lyricist *Fluss*. The icy melodies, pensive moods, vibrant plummets and shifts/drifts contrast the wonderment of the natural world with a heightened sense of existential malaise and ultimately horror.
