Opis produktu

1059 x Violet and Hot Pink Merge with Violet, Hot Pink and Bone White Splatter Standard Gram

COFFINS' Relapse debut *The Fleshland* has all the subtlety of Godzilla's destruction of Tokyo. After 3 full lengths and countless underground splits and eps, Japan's **COFFINS** have ascended from cult heroes to death/doom royalty, and *The Fleshland* may just be their best effort yet. Absolutely punishing monolithic riffs combine with disgusting grooves to create one of the heaviest records to ever rise out of the east. **COFFINS** are the best metal band coming out of Japan, if not the whole world.
