Opis produktu

We are proud to announce our cooperation with cult Czech Death metal DARK (now known as Dark Gamballe) to reissue their classic debut album Sex 'N' Death. Extremely hard to find from the early 90's cult label Monitor Records (Root, Dai, Debustrol, Krabathor,Törr), we are pleased to make this long lost gem available again!

This LP will be designed after the original 1992 release, taking elements from the original layout with attention to detail, even down to the logo and typeface for a touch of nostalgia. Also featured are unpublished band photos, lyrics and new liner notes by original vocalist Jiri "Desed" Sedlacek .
