Opis produktu

In 2020, Pete Helmkamp will release his second ABHOMINE album titled Proselyte Parasite Plague, in affiliation with Cazz Grant, known for his bands Crucifier and Grand Belial's Key. Together, they conjure a scathing, frightening oracle that transcends today's musical standards. At the forefront is Helmkamp's unmistakable iron/fire throat, furious hypnagogic guitar, and brute bass attack. Grant delivers a shrieking black murk on vocals and indomitable drums. ABHOMINE's Proselyte Parasite Plague is a rearrangement of the paradox which grips the subconscious. Helmkamp's second creation unshackles the traditional norms of black and death metal with shapeshifting riffs ushered in by ruthless drumming.
For the last three decades, Helmkamp and Grant have been pioneers in the black/death underground genre. They have remained firm in their convictions and declarations. With ABHOMINE's Proselyte Parasite Plague, listeners will bear witness to Helmkamp's ominous prophetic foreshadowing while rejoicing in the trenches as the shells fall.
