## Opis produktu

CD in deluxe Digipak with deluxe 16-page booklet (offset paper booklet).

Legendary Ukrainian black metal project Drudkh is ushering in the cold darkness and alluring decay of autumn with its brand-new offering, ‘All Belong to the Night’.
While the album is only four songs, it rages on for over 45 minutes, delivering an epic maelstrom of grandiose melodies, devastating aggression, and the cold atmospheric passages that have come to define Drudkh’s unmistakable sound.

For fans of SAOR, MGLA, FUATH, WOLVES IN THE THRONE ROOM, PANOPTICON.
Artwork by Edward Novikov.
