Opis produktu

Black 12" vinyl (33 rpm) in black sturdy inner sleeve in jacket.
Third pressing 200 copies worldwide.

Songs of Grief and Solitude is the fifth album by band Drudkh, released in 2006.
It marks a radical departure from previous Drudkh works in that all songs are entirely acoustic, arranged in the manner of traditional Ukrainian folk.
Several songs contain elements of previous Drudkh material: "Tears of Gods" contains elements of "Fate", "The Milky Way" is a rearranged version of "Blood" and "Archaic Dance" references "Glare of 1768", all three of which originally appeared on The Swan Road, "Why the Sun Becomes Sad" contains elements of "Sunwheel" from Autumn Aurora, and "The Cranes Will Never Return Here" is an acoustic rendition of the opening riff from the Blood in Our Wells track "Solitude".

For fans of HATE FOREST, IMPERIUM DEKADENZ, BURZUM, AGALLOCH.

Tracklist:
Side A: Sunset in Carpathians / Tears of Gods / Archaic Dance
