"DSKNT "This is one of the more interesting black metal albums I've encountered in 2017 as it isn't like anything on the market right now." Maximum metal

"This is unpredictable, but unrelenting in its violent intensity. Very, very good." No clean singing "the shock and horror is unimaginable." Tape Wyrm

“If you thought the year was over and you’d already made up your mind on your favorite black metal album of the year, you may want to fucking THINK AGAIN.” Cvlt Nation

“The first word that comes to mind when listening to tracks like “S.O.P.O.R.,” which we’re excited to be premiering below, is suffocating. Shortly thereafter, it’s descriptors like Hellish, dizzying, violent, and abstract.” Premiere on Indie Metal Vault of S.O.P.O.R track
