Opis produktu

Abhorrence’s comeback to the live arena after 20 years of lying in wait in the grave took place in the black summer of 2013. Svart Records were also there, capturing all 35 minutes of the bone-grinding mayhem and cadaveric incantations spewn forth from the stage. After an unholy gestation period the live material is now being let out to wreak havoc and cause grievous bodily and mental harm to the general public. Abhorrence are still old school, still undead and unclean!
