Opis produktu

- First time on vinyl
- Re-release of early works with bonus material and fresh artwork, incl. liner notes curated by Seuche/FÄULNIS
- Remastered at Temple of Disharmony (DARKTHRONE, POSSESSED, SLAYER)
- Includes album download on designed download card

Originally recorded in the early 2000s and born out of frustration, isolation, and raw creative impulse, *Cholerik – Eine Aufarbeitung* marks the very first manifestation of FÄULNIS. What began as a rough, emotionally charged demo would ultimately lay the foundation for everything that followed.

Now, over two decades later, this formative work returns in its most complete form to date.

This re-release presents the original material in a newly remastered version. The release comes with new artwork and is expanded with bonus material, offering further insight into the early creative process behind FÄULNIS.
