Opis produktu

1002 x Translucent Yellow with Black, Red and Neon Green Splatter Standard Gram

The undisputed leaders of The Second Generation of Goregrind, Haemorrhage took the influence of genre founders Carcass and took it to unparalleled levels of sickness. 'Grume,' the Spanish band's second full-length, was a revelation of revulsion when it was released in 1997; a cacophony of twisted riffs, blast beats and gargled vocals that still holds up over a decade after its release.
