Opis produktu

Debut demo by this killer new USBM project. Featuring prominent denizens of the vile and old school strains of Black Metal obsession, namely members of Collier d'Ombre (Necklace of Shadow and Incubare) as well as Forlorn Spirit of Oldowan Gash, Desert Eagle, etc. 4 tracks of desolate, cold and forceful Black Metal in the old Slavic ways of Astrofaes, Hate Forest, Walknut, Nitberg etc. Originally self-released in a very small print of 15 copies, distributed for the Mystic Spear + Oldowan Gash + Angurvadal shows.
