Opis produktu

Fully restored artwork and audio!

Brutal power Thrash/Death Metal classic remastered! Featuring Paul Speckmann of the Death Metal legend Master!

Abomination’s second album “Tragedy Strikes hits harder and darker. “Tragedy Strikes” doubles down on the Death/Thrash assault with crushing riffs, relentless drums, and Paul Speckmann’s venomous vocals cutting through like a razor. Political and raw, this album tackles war, corruption, and chaos with zero compromise.

A true underground classic finally getting the reissue treatment from Hammerheart Records... essential!

Line up:
Paul Speckmann - Vocals, Bass
Dean Chioles - Guitars
Aaron Nickeas - Drums

• Featuring Paul Speckmann of the Death Metal legend Master!
• Re-mastered by Erwin Hermsen at Toneshed Music Production (Dead Head, Legion of the Damned, Pestilence, Therion)
• The original artwork is faithfully restored
• A true underground classic, originally released by Nuclear Blast records in 1991!
