It’s the return of the Swedish black death... Soulseller Records proudly presents the new studio album of IN AETERNUM! Founded in the early nineties, IN AETERNUM stormed the scene for many years with 4 full-length albums, several EPs and extensive tours before going into hibernation for an indefinite time. Now the band has been resurrected, is stronger than ever and a brand new album has been recorded with the same line-up from 20 years ago!
Titled "...Of Death and Fire" brings you 11 tracks of ripping & thrashing blackened death metal for fans of Dissection, At The Gates, Sacramentum!
