KHOLD RETURN WITH A NEW GRIM MASTERPIECE OF BLACK DARK METAL!

“Du dømmes til Død” is a concept album about henchmen and various people being condemned to the death penalty throughout Norwegian history.
Musically, you know what´s being offered: down-tuned and mid-paced metal with no compromises whatsoever. Groovy, melodic and loads of heavy riffs – this band sounds like nothing else, and that´s exactly the way it should be. And it´s how it will remain.
True.
Raw.
Primitive.
Khold.

Lp editions come with double sided insert and alternative cover art compared to cd version!
