ABYSMAL LORD (USA)
"Cathedral" CD

Abysmal Lord’s Cathedral EP is a defining statement of blackened death metal; a ruthless, unrelenting force of sonic destruction. Now, this iconic release returns for those who missed it, and for the faithful who have long worshiped at its altar.

"Cathedral" is a brutal fusion of blistering blackened death metal that devastates from start to finish. With ferocious riffs, unholy blast beats, and guttural vocals that reverberate like cries from the abyss, this EP captures the essence of utter chaos and darkness.

For those who know its worth, this reissue serves as a reaffirmation of its place in the underworld of extreme metal. For the newcomers, it’s your chance to experience what makes Abysmal Lord a name synonymous with ruthless, unyielding blackened death metal.

This stands as a blackened death metal landmark, a savage and primal offering that refuses to be forgotten. It’s the sound of annihilation—uncompromising, untamed, and now available once more for those who dare to witness its power.
