Opis produktu

CD in deluxe Digipak with 12-page booklet.

The San Francisco Bay has a history steeped in heavy metal and NITE carries that torch with pride. Founded in 2018, their blackened heavy metal barrels towards the peril of an unknown future, while still paying homage to metal’s foundations. Guitarists Van Labrakis (Satan’s Wrath) and Scott Hoffman (High Spirits) let loose galloping riffs and harmonies that evoke the classic sounds of the NWOBHM while driving their dark, melodic metal into the modern era. With sophomore album ‘Voices of the Kronian Moon', NITE solidifies their place among emerging artists to watch!

For fans of CLOAK, DARK THRONE, TRIBULATION, MIDNIGHT, ABBATH, VREID.
