Opis produktu

"Those Who Have Risen" is a natural follower to all previous Acheron recordings and released in 1998. Line up was: Ben Meyer Guitars (Nasty Savage), Vincent Crowley (Vocals, Bass, Guitars), Michael Estes - lead Guitars (Resurrection and Tiwanaku) and Tony Laureano on drums (Brujeria, Nile, Malevolent Creation & Cannibal Corpse live and Megadeth's drum tech since 2011). Guest vocals by no one less than David Vincent (Morbid Angel, I am Morbid, Terrorizer) and George "Corpsegrinder" Fisher (Cannibal Corpse, ex Monstrosity). Completely restored and newly designed booklet with liner notes from Vincent Crowley and rare and old pictures. Bonus are four tracks from the 'Live Demo 1998' which was never officially released before.
