Old Wainds (RUS) – Religion of Spiritual Violence (Религия духовного насилия)

Grim, barbaric, ice-cold blackness from beyond the Arctic Circle.

Murmansk is a Russian city situated north of the Arctic Circle near the Norwegian and Finnish borders. It's not only notorious for its extremely harsh and long winters but also for being home to one of Russia's oldest and most significant Black Metal bands – OLD WAINDS.
Arisen from the icy plains in 1995, founder Morok aided by a variety of members throughout the horde's 30 years of existence managed to produce a remarkable discography. Unaffected by fleeting fashion and with disregard for public exposure three demos, one split album with NAV and five full length albums filled to the brim with barbaric hymns of no-nonsense Black Metal were up to this point spawned under the banner of OLD WAINDS.

Hot on the heels of OLD WAINDS' latest album *Stormheart* on Darkness Shall Rise we are extremely thrilled to hereby present long overdue reissues of some glorious titles of their early catalogue.

Where the Snows are Never Gone... was followed by a 2nd demo before *Religion of Spiritual Violence* would be unleashed upon the unworthy masses in 2002. Comprising of titles and lyrics entirely in Cyrillic their second album is undoubtedly several steps up in terms of song-writing and production. By and large continuing the trajectory of their previous efforts, OLD WAINDS on *Where the Snows are Never Gone...* present material more refined and versatile while still retaining the barbaric edge of its predecessors.

Remastered by Jack Control and Maor Appelbaum at Enormous Door.
With complete restored layout.

Religion of Spiritual Violence is also available on MC, Digi-CD and digital.

The following LP with Gatefold-sleeve and A2 poster versions are available:
– 250 x classic black vinyl
– 250 x galaxy red black vinyl

Side A:
