Mysticism, magic, occult arts and rituals, all of which are driving factors behind AXEPONTAΣ, are also the most adequate words that can be used to describe the band's image, sound, and lyrics.

The band is considered as one of the leading representatives of the second wave of Greek black metal, heavily influenced by the original Hellenic metal scene, retro rock (especially '70s rock), and occult/spiritual philosophy & activism.

300x heavyweight smoke orange crush/black 12" (180g) in a black poly-lined innersleeve, booklet 16 page, vinyl sized, 150gsm art paper, simple jacket, full-color printed on 350g carton, all assembled in a plastic overbag.
