Contains a never heard before rehearsal including the previously unreleased song “Melted Corpse”!
Before the name Pungent Stench was synonymous with the twisted, perverted, groove-laden Death Metal of the early ‘90s, before the record deals, the festivals, and the cult legacy... they were just three maniacs cranking out the most vile, unhinged noise Vienna had ever heard. This is where it all began!

“Mucous Secretion”, recorded in one session on a ghetto blaster, no overdubs, no frills, no polish.

Just raw, repulsive Death Meal chaos!
Tracked at live during rehearsals back in 1988.

Line-up:
Alex Wank - Drums
Martin Schirenc - Guitars, vocals
Jacek Perkowski - Bass

• Including 6 bonustracks with 2 previously unreleased songs: “Melted Corpse” and the Slaughter cover “Strappado/Incinerator”

• 100% analog filth, no digital trickery!
