Opis produktu

Now back in print for the first time in a decade, *Midnight Mass* is presented on a wide array of ghastly vinyl colors: "Putrid Edition," pressed on half neon purple / half neon yellow vinyl and only 222 picture discs; "Geyer Edition," pressed on Halloween Orange w/ heavy black splatter and only 222 picture discs. An absolute MUST-HAVE for all ACID WITCH maniacs!

Originally released in 2010, *Midnight Mass* was the first ACID WITCH recording to feature the longstanding songwriting duo of Shagrat and Slasher Dave; coincidentally enough, it was their first release with HELLS HEADBANGERS, a partnership that endures to this day. And while the band had (rightfully) garnered attention with their *Witchtanic Hallucinations* debut album in 2008 due to the involvement of Hooded Menace’s Lasse Pyykkö, *Midnight Mass* stripped their sound back to its barest essentials and revealed that Shagrat and Slasher Dave indeed could go it alone and stomp forth a filthy-yet-fun doom-death sound that’d reach its apotheosis with the subsequent *Stoned* album later that year, and has been uniquely THE “ACID WITCH sound” ever since. Two songs comprise this 7” EP, short but very sweet: 10 minutes of sewer-dredging spookiness that screams Halloween!
