Opis produktu

AD HOMINEM roars back with Totalitarian Black Metal, an unrelenting barrage of chaos that rekindles the savage ferocity of their early days.
More hostile, more destructive, this album annihilates boundaries, cementing the band's dominion as a juggernaut in the extreme metal arena.
A deafening, unapologetic return that leaves no survivors.
THE H-BOMB IS THE CURE.

Ad Hominem's new album is a total annihilation of dogmatic religions and politics of all stripes, corrupted by power and $$$$$$. They can all fuck off!
