Opis produktu

Sepulchral Voice Records, black music cassette, gold print, fold out-poster card

After almost two decades, Adorior rise again to rape all virgin ideals of heavy fuckin´ Metal with their third full length. Armed to the bloody teeth with hellish sound, sharpest tongue, offensive artwork, outlaw attitude and leper morals, they are once again blazing a trail, whether you like it or not. Just like on their predecessor “Author of Incest” from 2005, the entity performs at an unrivalled and unimaginable level of aggression. “Bleed on my Teeth” has alot of dirt under its fingernails, but finally reanimates the corpse of mindfucking, repulsive and dangerous music of the devil without giving an inch to newer genre definitions. “Bleed on my Teeth” comes with a huge poser filter! This album is a summoning for the black-hearted survivors of this diseased and treacherous world. You will feel this record like it was tattooed into your bones, and if you don’t, then fuck off and pray you never will!
