Digipack CD

Comes in a 4-panel digipack w/ a 12-page booklet. First batch comes in black polycarbonate CD.

The eagerly awaited third full-length from Ireland's **SLIDHR** - and follow up to 2018's "***The Futile Fires Of Man***" - is the band's most triumphantly destructive offering to-date, brim-filled with passion, hatred and venom.

Propelled by a powerhouse performance from revered Icelandic drummer *Bjarni Einarsson*, "***White Hart!***" evolves from an immersive base of maliciously misanthropic, raging Black Metal into a deeper, dynamic beast flavoured with dread atmospheres to illuminate hidden serpents, black shrouds, dead realms and great plagues.
