Opis produktu

In one more primeval cycle of obscurity and slaughter, the labels Arauto da Morte Records, Temple Bizarre Cult Distro and Sociedade Dos Mortos, announce the materialization of a new omen of death! This Split 4 Way marks the beginning of the celebrations of the “Antigos Rituais de Culto à Morte”, which in a great period of carnage, started to count on the presence of four emissaries of the doom! Four great subterranean entities that perfectly embody all the morbid symbolism of the Metal of Death (!!), are: IINSOLITUM (BRA), PATHOGEN (PHI), DEATH INVOKER (PER) AND NECROCCULTUS (MEX)!!

Material in Slipcase CD format, containing two songs from each mortuary entity, composed exclusively for this veneration to the rites of the decease!

This is the first release of a Splits 4 Way trilogy totally dedicated to the profane, barbaric and archaic DEATH METAL!!
