Opis produktu

In 2017, two years after their first full length album, the Finnish black metal force Aegrus released their second opus "Thy Numinous Darkness".

The foundations already created by the previous album only got stronger and deeper with this second manifest of black metal chaos.

Total black flame igniting blasphemous hymns with catching riffs and melodies, along with lyrics written in devotion of Devil and Death.

500x grey 12" (140g) in microtene innerbag, printed innersleeve full-color on 220g,
poster A3 full-color printed on 150g art-paper, jacket full-color printed on 350g, all assembled in a plastic overbag.
