Opis produktu

Tankard’s classic album “The Morning After” as a deluxe Picture-LP (limited to 500 copies). Comes with an insert and a huge poster of the artwork. A true Thrash Metal classic!

“The Morning After” saw Tankard at the peak of their beer soaked powers, delivering a Thrash assault that was as ferocious as it was fun. Following the chaos of Chemical Invasion, their third album refined their sound without losing the unhinged energy that made them stand out.

From the riotous title track to headbangers like “Try Again” and “Help Yourself,” Tankard proved they could party harder than anyone while still delivering tight, razor sharp Thrash Metal. Their wild energy and signature booze soaked charm were as strong as ever, but underneath the madness was serious musicianship that kept them neck-and-neck with Germany’s Thrash Metal elite.

The Morning After isn’t just an album, it’s a full-on Thrash party. Best served loud, with friends, and plenty of beer.

Prost!
