Opis produktu

3CD box set, thick booklet

Formed in 1995 in Karlstad, Sweden by Rob Coffinshaker, these graveyard country pioneers have been steadily putting out records, most of which have now become highly sought-after collector items. The Coffinshakers successfully merged the imagery of German expressionist cinema with traditional country sounds of Waylon Jennings and Johnny Cash, occasionally flirting with Ennio Morricone -style melodies and the 60’s surf-garage sounds of The Ventures. Topped with full-bodied lyrics and Rob Coffinshaker’s haunting, low register voice, this combination gained them a cult following in the late 90’s and 2000’s, and they even creeped up to the Finnish top 40 with their self-titled album in 2007.

Svart Records are proud to announce the official Coffinshakers reissues, which have been in the works for a couple of years now. These reissues include the full length albums We Are The Undead (1998) and The Coffinshakers (2007). This deluxe CD box includes both albums, a bonus disc (From the Crypt – Rare and Unreleased) and a thick booklet with a lengthy interview and archive material. The bonus disc is only available in the box set and includes rare compilation tracks, EP releases and a handful of unreleased tunes from Rob Coffinshaker’s personal vaults.
