Opis produktu

"Storm cloud - violet blue marble"- Vinyl in Gatefold Sleeve including 4p LP Booklet, Poster and DLC!

Rising German melancholic heavy metal outfit **THE NIGHT ETERNAL** will release their Metal Blade debut, *Cold Velvet*, on August 21st.

Since their foundation in 2018, the quintet has built themselves a serious reputation with their ‘70s and ‘80s guitar-driven sounds in their very own sinister guise. The band´s previous two full-length, *Moonlit Cross* (2021) and *Fatale* (2023), gained applause by fans and critics alike which resulted in successful support tours (Blind Guardian, Michael Schenker Group, Angel Witch, Lucifer) and festival gigs (Wacken, Summer Breeze, Hellfest, Alcatraz) throughout Europe as well as a spot on the infamous Hell's Heroes fest in Houston, Texas.
