Aerdryk & Oerheks team up for a first split in a series around 'Relieken' ('Relics'), where the links between nature and (anti-)religion are being explored, and where ancient mystical themes get dug up from the past. Strengthening the bond between these two projects - who released their debut recordings in unison back in 2022 - Aerdryk and Oerheks present themselves once more as a force to be reckoned from the Belgian underground. 'Relieken I' contains exclusive material only available on this split-LP.
