Opis produktu

THRONE was formed in 1995 by AJ Drenth (Beyond Belief, Extreme Cold Winter, Beast of Revelation, ex Asphyx, Temple) and Bob Bagchus (ex Asphyx, ex Soulburn, Grand Supreme Bloodcourt) and for a short while Eric Daniels (Asphyx, Soulburn, Grand Supreme Blood Court). They wanted to create dark music like their first wave of black metal heroes: Venom, Messiah, Celtic Frost and Hellhammer. Eric Daniels left in an early stage and Bob Bagchus and AJ rehearsed and wrote five tracks early 1995. During the same year THRONE recorded a promo demo and a pro studio rehearsal (at Harrow’s Rehearsal Room). The album is remastered at Franky’s Recording Kitchen by Berthus Westerhuis (Asphyx, Severe Torture, God Dethroned). Incl. patch & sticker. 300 grams black vinyl. Comes in handmade silk-screen printed sleeve with badge. Hand-numbered patch plus sticker. silk-screened cover. Hand numbered , limited to 300 copies.
