Opis produktu

Long overdue vinyl re-press versions of the first two albums by Triptykon, the group fronted by singer/guitarist Tom Gabriel Warrior (Celtic Frost / Hellhammer / Triumph Of Death). Triptykon’s “Eparistera Daimones” (2010) and “Melana Chasmata” (2014) have proven to be genre-redefining, modern milestones and more than ever relevant for the extreme Metal movement. Featuring cover art by H.R. Giger, both albums are available again now in their original packaging, as Gatefold 2LP editions on exclusive coloured 180g vinyl, each including two posters, printed inner sleeves, and LP-Booklet for “Melana Chasmata”. Look out for further news and activity by Triptykon throughout 2025...
