Opis produktu

The Demo Collection “Beyond Redemption – Demos & EPs 1989-1992” finally aggregates Afflicted’s (previously known as Afflicted Convulsion) historically significant pre-album demos, promos, and EPs into single must-own multi-disc package. Remastered by ace Patrick W. Engel (Corrosion of Conformity, Destruction) at Temple of Disharmony Studios, “Toxic Existence” (1989), “Psychedelic Grindcore” (1990), “Beyond Redemption” (1990), “Promo Tape” (1990), “Ingrained” (1990), “The Odious Reflection” (1990), and “Wanderland” (1990) have their original states carefully preserved and meticulously enhanced for all eternity. Re-discover Afflicted’s ascent from fledging brutes to world-class death metal innovators. “Beyond Redemption – Demos & EPs 1989-1992” will be released as Gatefold 180g 3LP with LP booklet, Ltd. 2CD Jewelcase in slipcase and digital album via Century Media Records.
