Opis produktu

Gatefold 180g LP edition with 20-page booklet incl. handwritten lyrics and unique illustrations for each song.

On their third full-length album, "Es grauet", Ungfell abducts listeners on a sonic journey detailing moral ambivalence and treachery. Set in a seemingly idyllic rural village in pre-modern times, all is not as it seems. Tragedy strikes the town in the form of a horrific, grisly murder. Unfounded accusations lead the town further astray, while these occurrences of debauchery exceed the comprehension of the local inhabitants. Alas, evil lurks where you may least expect it... The story unfolds, accompanied by ravaging riffs and gripping songwriting that appropriately underline the complex, yet harrowing narrative. "Es grauet" shows Ungfell at their most ambitious and most audacious, featuring incredibly dynamic and warm production values, emphasizing atmosphere even more than previous releases and managing to compliment the story being told.
