Opis produktu

CD edition incl. a longer version (15 minutes!) of last track "Rocket Science"

"Come on and do the toxic waltz. Kick your friend in the head and have a ball." These words by EXODUS fully apply to 'Kick Me Silly - VC III', the third full-length frontal assault by VENOMOUS CONCEPT. The grindcore veterans (Kevin Sharp and Dan Lilker of BRUTAL TRUTH, Shane Embury and Danny Herrera of NAPALM DEATH, and John Cooke of CORRUPT MORAL ALTAR) recorded 'Kick Me Silly' in 2014, continuing in their trademark hardcore punk style. You will find these fire-starters branching out dynamically in order to perfect their art of grinding rock! Like a coiled punk rock porcupine OOK is fully charged and ready for attack with 'Kick Me Silly - VC III'! Kick ass!
