BO PREMIERA 20.11 ALE MAMY URLOP ZAPLANOWANY NA 18-25
LISTOPADA TAKŻE ZOBACZYMY JAK TO SIĘ POUKŁADA !!!**

- 2nd pressing of the deluxe edition
- Double 180g smoke vinyl
- Triple gatefold sleeve with copper interior print
- LP-sized booklet
- Limited to 350 copies

Originally released in 2006, *Ashes Against The Grain* seamlessly blends heaviness with atmosphere and precision. With their third full-length, the band continued their musical journey, always a step ahead, but without losing grip of their dark metal roots. The album combines elements of black metal, Scandinavian prog-rock, and post-rock with the unique, melancholic, contemplative style that is so typical of AGALLOCH.

From the driving force of 'Falling Snow' to the dissolving trilogy 'Our Fortress Is Burning...', this is AGALLOCH at their most direct and elemental. A contrast to the warmth firey night sky of *Pale Folklore*, the monumental poetic folk of *The Mantle*, *Ashes...* gazes into a horizon of dying embers with clarity.

The band's panoramic scope of songwriting – takes on a widescreen scale – combined with the albums imagery, and production all aligned into a monolithic statement — sharp, modern, and unrelentingly melancholic.

Side A (19'30):

01. Limbs 09'51
02. Falling Snow 09'39

Side B (21'33):

03. This White Mountain...
04. Fire Above Ice Below
05. Not Unlike The Waves

Side C (18'59):

06. Our Fortress Is Burning 1
07. Our Fortress Is Burning 2
08. Our Fortress Is Burning 3

Side D (18'23)

09. Scars Of The Shattered Sky
