Atvar returns with the 6th VENUS STAR album to date, laden with heavy BLACK DOOM primacy!

With nods to the great old days of Finnish Black Metal, drawing inspirations from old BEHERIT, old AMORPHIS, as well as SWALLOWED and RIDE FOR REVENGE, to mention a few.

VENUS STAR keeps it minimalistic, groovy, dark, gnarly as is well known by now, and stays away from anything reminiscent of nowadays Black Metal, thankfully!

The album offers a journey through the old ways, back when passion set ablaze the primordial smokeless fires within.

All artworks by the talented David Glomba.
